Subject: Centralized Payment for the BBoVPN connections provided under
NMEICT scheme to various Government and Grant-in Aid Colleges of
the State – Regd.

Dear Sir,

As you know since its inception of NMEICT scheme in 2010 this office had been paying yearly rent for the BBoVPN connections provided to various Government and Grant-in Aid Colleges. Last payment in this regard is for the cycle December 2013 to November 2014.

In this connection this office has decided to stop the centralized payment system and informed the concerned colleges to pay the rent from their end. Further this office has assured the colleges to reimburse the bill amount. Further you are informed that new connections under the scheme will not be eligible for grant, if prior permission of this office has not been taken by the concerned college.

You are requested to do needful from your end.

Thanking you,

Joint Director(Estt)
Commissioner of Higher Education,
Gandhinagar.
